(4) The office shall review all relevant information and determine whether or not the eligible employee has a total disability.

(5) If the office determines that the eligible employee has a total disability due to accidental bodily injury or physical illness which is not the result of the performance of an employment duty, the eligible employee shall receive a monthly disability benefit equal to two-thirds of the eligible employee's regular monthly salary, for each month the total disability continues beyond the elimination period, not to exceed the maximum benefit period.

(6) If the office determines that the eligible employee has a total disability due to psychiatric illness, the eligible employee shall receive:
